Gala-Net Inc enters licensing agreement for operation of Aika Online in the U.S.

Tokyo, Japan – April 28, 2009 – Gala Inc. today announced that California-based Gala-Net Inc., a consolidated subsidiary of Gala Inc., has entered a licensing agreement with Seoul-based HanbitSoft Inc. for the provision of the online game Aika Online on its U.S. game portal site gPotato.com.

1. Overview of Aika Online
Aika Online is a MMORPG developed by Seoul-based developer JoyImpact Co., Ltd. in which nations, each having a distinct economy and politics, war against each other in epic battles involving up to 2000 players. The game also features PRANs, fairy-like creatures that start as infants and can be brought up in various ways, and dressed up in apparel of the user's choice. The game is also notable for the small size of the client software, which lets the high-quality graphics of the game be enjoyed even on older computers.

3. Overview of the contract
The contract was signed on April 28, 2009, and will be effective for three years from the commencement of the commercial service.
The open beta test and the full commercial service are expected to begin in December 2009.
4. Future Efforts

The Gala Group will continue to provide superior games, both those developed within the group and licensed from other developers, to gamers around the world through its gPotato portals.
