Gala Networks Europe to operate Rappelz in Turkey

Tokyo, Japan – May 8, 2009 – Gala Inc. today announced that Dublin-based Gala Networks Europe Ltd., a consolidated subsidiary of Gala Inc., will commence providing Rappelz, an online game developed by Seoul-based consolidated subsidiary nFlavor Corp., to users in Turkey.

1. Overview of the Turkish service of Rappelz
Rappelz is a Europe-themed MMORPG (Massively Multiplayer Online Role Playing Game) developed by consolidated subsidiary nFlavor Corp. Consolidated subsidiary Gala Networks Europe Ltd. owns the rights to operate the game in Turkey, and will launch the Turkish open beta test sometime around June 2009.
Gala Networks Europe currently operates the French and German versions of Rappelz in Europe, and the number of users signed up for the company's services has been increasing consistently. The new Turkish service is expected to spur further membership growth.

2. Future efforts in online games
The Gala Group will continue to provide superior games to gamers around the world, both those developed within the group and licensed from other developers.
