

Open Beta Test of Iris Online Launched in Japan

Tokyo, Japan – May 20, 2010 – Gala Inc. today announced that Gala Japan Inc., a consolidated subsidiary of Gala Inc., launched the open beta test for the Japanese version of Iris Online, an online game developed from Seoul-based developer EYA SOFT Co., Ltd. on its gPotato.jp portal.

1. Overview of Iris Online

Iris Online is an MMORPG featuring cute graphics, set in a fantasy world where three races, human, spirit, and half-beast live. Among its features are tarot cards, which affect various aspects of the game including combat, character advancement, and item customization.

2. Overview of EYA SOFT

Company name	EYA SOFT Co., Ltd.
Website	http://www.eyainteractive.com/
Address	4th floor, Keundo Bldg., 726-1 Yeoksam-dong Kangnam-gu, Seoul, 135-921, Korea
CEO	Jungyeon Han
Established	2004
Business domain	Development and publishing of online games

3. Overview of the agreement

The licensing agreement was signed on April 28, 2009, and will be effective for three years from the commencement of the commercial service.

The open beta test began on May 20, 2010, and the full commercial service including sale of cash shop items will begin on May 25.

4. Future Efforts

The Gala Group will continue to provide superior games, both those developed within the group and licensed from other developers, to gamers around the world through its gPotato portals.
